Annual Return 2017/18

The precept was increased as expected expenditure for the coming year was estimated to be £5220.00.

Receipts increased due to two VAT returns over the year and a large grant was received to cover the costs of updating the website.

Payments increased slightly. Our main expenditure continues to be Clerks salary, grass cutting, council insurance, emptying of dog bins although the costs are split between the Parish Council and three local veterinary surgeries.

One off payments were:

£30.00 to purchase a brown bin for the grass cuttings

£174.00 to hire a machine to clear the car park in Wykham Lane

£120.00 for a speed survey carried out some time ago but was never invoiced

£366.00 to Aplins Solicitors for the registration of the lease for the car park in Wykham Lane
