

Broughton Parish Council

Results of recent poll for a village Defibrillator.

Thank you to everyone who replied to our survey. There were 38 replies of which:

68% were in favour of Purchasing a defibrillator.

81% were in favour of the Parish Council paying for a First Aid training course.

50% were prepared to do first aid training.

(Some residents voted for both a defibrillator and First aid training).

Therefore, the councillors voted to provide the money for a First Aid Course for 20 people.

Sue Leech will be contacting these volunteers to arrange a suitable date.

However, in view of the number of people who voted for a village defibrillator the Parish Clerk is looking into ways of funding one and it will continue to be on the agenda for future meetings.
