Village Tidy Up

Before and after photos of Jubilee Gardens

Many thanks to Tim and Jenny White for doing such a marvellous job in weeding and tidying up this lovely area in our village. They are hoping to create a flower bed in the not too distant future which will be lovely to see. (The daffodils will still be coming out again next Spring).

Also, thanks to Roger, Haden and Steve for strimming around the village, including the car park and part of Wykham Lane, all helping to make it a nicer place to live in.

Frank Knight loaned a wooden pole approximately 5ft long with an unusual brass fitting on one end to someone living in Broughton. The pole is designed to help lift a sun awning up and down. If you think you may have this item lurking at the back of your shed or garage, then please could you return it. Thank you.
