**Subject:** Household goods ordering etc

Dear all,

From the response we have had in terms of messages, texts, emails etc, quite a few people in the village could do with us ordering for household items and food from our suppliers. Our normal order day is Thursday for delivery here on Friday, which would mean orders should be out to you Friday pm or Sat am at the latest (subject to availability). If anyone has particularly urgent needs, please contact us and we will see what we have available in pub stocks.

It would be useful to know what people would like to have on the order forms, so, over to you all to tell us, what you need...

From Monday, we will be doing take away/delivery food (Menu to follow) as well as takeaway beers/wines etc from the entrance porch of the pub. So, it may not be an answer to your social interaction but at least you can still get a pint or so of real draft ales etc not the canned rubbish.

Bring your own containers and we will fill them for you. To ensure that the beer is fresh, we will only have one draft ale on at any one time unless demand is enough to put 2 on. Hopefully this will be sufficient to help everyone in the village and tide us over until we can reopen again without losing our existing amazing staff.

Stay safe....

Kind Regards

Paul, Gale and Callum.
