Jane has suggested that maybe we will be able to have a village get-together in the park in the not-too-distant future when we are allowed. Martin has said that he is agreeable. Obviously, things could change at any minute but this would be something to look forward to.

Flamingo Paperie Partners – Agnes Hume

I am a Flamingo Paperie Partner and I sell greeting cards, stationery and Craft Kits and I am based in Banbury. In this more difficult time, I would like to reach out to the more vulnerable. I can send a brochure to anyone who might be interested or I have an online link

I understand how the Covid has affected some of us and I'd like to be able to bring my business to them while shops are closed. My products are competitively priced (one card is £2.00 and for 10 or more it will be £1.60 each). You can check my website for the whole range: www.flamingopaperie.co.uk/web/agneshume

Looking forward to helping my community.
