

## Forthcoming Elections

There will be Parish Council Elections on 5th May 2022. The Parish Council is a tier of local government. We meet every six weeks in the village hall on a Monday night at 7pm. Our meetings last about one hour.

Our responsibilities include setting a budget for the year, village maintenance, village infrastructure support, highway issues, commenting on planning applications and liaising with Cherwell District Council and Oxfordshire County Council over immediate and long-term plans and policies.

The remit of the Parish Council is wide and varied but the core is enhancing the village and supporting the village parishioners.

More information and dates will follow in the next newsletter.

## Speed watch in Wykham Lane 2<sup>nd</sup> January

The Parish Council has been approached, with regard to getting the speed limit in Wykham Lane, between the village and the Bloxham Road, reduced to 40pmh.

In order to obtain some data, we set up outside the Lodge to Broughton Grange 8.00am to 8.30am and outside Wykham House 8.30am to 9.00am

The results are as follows. 19 vehicles at 20 to 29mph    28 at 30 to 39mph    and    15 at 40 to 48mph

## Village Defibrillator

At the last Parish Council Meeting, the subject of the code to open the defibrillator box was discussed. A villager had asked whether this could be published.

If there is a medical emergency, 999 should be phoned immediately, and they will give you the code, as well as sending an ambulance. It was felt that if too many people had the code, there was a danger of it being left unlocked, and there have been instances of the machine being stolen.

The Parish Councillors have the code, and are happy to be contacted in an emergency, but always dial 999 first. Contact numbers are below

Sue Leech	07891 467656	Richard Byrne	07855 820054
Haden Mills	07580 784790	Neil Howarth	01295 250596
Dave Hands (Saxby)	07760 316786		

In addition, the Parish Council will be arranging free training in the use of the defibrillator, by the ambulance serve. Date still to be arranged, but it will be at a weekend. If you are interested, please contact Sue Leech at [sue.leech1now@btinternet.com](mailto:sue.leech1now@btinternet.com)
