

Queen's Platinum Jubilee party

Thank you to everyone who came and supported this event. We have had great feedback, and everyone said they enjoyed the afternoon.

The event was made possible by a band of helpers. Thank you to those who came and set up, and made the hall look wonderful. Also, to everyone who made cakes, and to the ladies in the kitchen. Not forgetting those who sold raffle tickets, and collected tombola prizes before the event. And thank you to everyone who helped tidy up at the end, much appreciated.

Thank you again to Martin Fiennes for proposing a toast to the Queen and cutting the cake, which was made by Julie Taylor. It was also lovely to see Lord and Lady Saye there. Martin also drew the raffle. 1st prize of a Jubilee themed hamper went to Doreen Knight. 2nd prize of £40 worth of vouchers for the Brasenose pub in Cropredy went to Lorna, 3rd prize of Jubilee gin went to Helen and Richard. 4th prize, a picnic blanket went to Terry and Peta, 5th prize, Jubilee biscuits to Tim and Jenny and the 6th prize of a corgi plant pot went to Chris and Eoin. The raffle made just over £400. This went towards the running of the event, and buying the prizes.

The tombola went very well, and this made £133.30, thank you to everyone who donated prizes, and to Dot and Doris for running the stall.

This event was supported by Broughton Parish Council and St Mary's House Committee, who agreed to meet any shortfall. However, we made a fabulous profit of £100, and this has been split between two local charities. Katherine House Hospice and Dogs for Good.
