## Advent Windows December 2022

We had a successful series of Advent window displays in the village, last year, and hope to repeat this event, this December.

I have already approached the people who joined in last year, and thank you to those who have already replied. If anybody else would like to take part, please contact Sue Leech on 07891467656

Each house is allocated a date in December, and they put their display up that day. A list of houses and dates will be circulated before the 1<sup>st</sup> December, so you know where to find the displays.
