

Recently Roger Lester noticed that the leaves on the village tree had all turned brown. But thanks to help from, Mel, Tim and Jenny and Clive, we have watered it and mulched the base. And hooray, we have some green leaves again. Also, Mark Parker has kindly offered to water it every week from now on.

Tickets are £15 for adults and £8,00 for the under 14

Broughton Community projects

On the left you will see photos of the Wild Banbury group, working on the church path.

This page shows villagers helping to clear the main road path.

On 13th May Jane, Roger, Gareth, and Clive responded to my plea for help clearing the path between the Saye and Sele, and Laws and Fiennes, after it became a trip hazard. Thank you very much.

On 26th May Volunteers from Wild Banbury, helped transform the church path in Broughton. They moved lots of chippings from the car Park to the path, after a request from Chris at the Castle. Thank you to all.
